# WELCOME!

Dear Friends and Customers,

Welcome! Believe it or not it has been 11 years since our inaugural bull and heifer sale. I don't know where the time has gone, but I know we still focus on the female, longevity, structure, fertility, and udder quality. In studying the data, over a course of time, we are pleased to offer several bulls out of our own genetics along with our AI sired bulls. The proof is in the pudding and they are performing well. The bulls are weaned on a high roughage diet as always and will go to work for you. The heifers should be perfect to get ready to breed and pass on some outstanding maternal genetics—you won't be disappointed.

Our kids have grown up, gotten married, and become part of this operation as well. With that being said, they have helped us to look at doing things differently. So this year, we are offering something unique and a new way to market our cattle.

All cattle will be on display as always, on Tuesday, March 25<sup>th</sup>, so please come on out—have a doughnut and cookies anytime between 10 am & 6 pm. Then, register for an account and bid on-line through DV auction opening on March 26<sup>th</sup>–March 29<sup>th</sup>. You can bid anytime Wednesday through Saturday. The sale will close on March 29<sup>th</sup> at 6:00 PM. If you are outbid, you will receive a notice that you have been outbid and have the opportunity to bid again, or move on to a new animal to bid on. We moved to this option to allow people to participate whether they are at the sale or on the go. You can make your own decisions without relying on someone else to get your animal purchased. You can bid, buy, and pay for your animal all by your smartphone, tablet or PC if you choose. However, you can always place a max bid with someone at the sale if you would rather do that and we assure you we will honor the legitimate price. Hopefully, this will be a more flexible option for everyone and our customers will like it.

Please call if you have any questions or concerns, the ladies will be available at the Open House to help you get an account set if you need them to or feel to call DV Auction. They are excellent to work with. We look forward to seeing you at the Open House on March 25<sup>th</sup>, and we think you will find our line up worth taking a good look at.

God Bless,

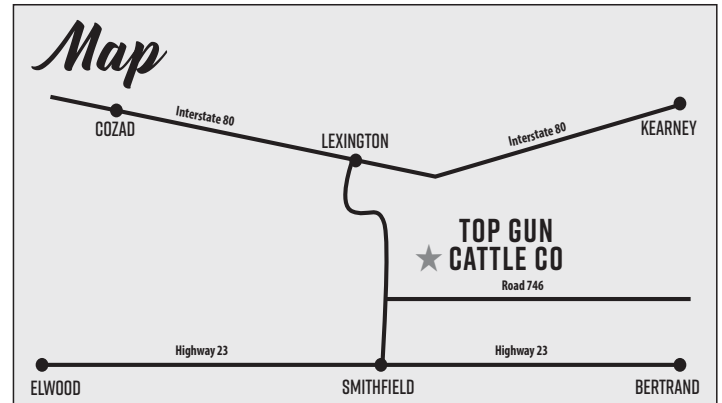

*Todd and Tricia Grabenstein & family*

### **VIEWING**

All bulls can be viewed anytime before the sale at the ranch by giving Todd 308-325-4362 or Tricia 308-325-5627 a call. You can also check out the videos on our website at [www.topguncattle.com](http://www.topguncattle.com).

### HERD HEALTH

All cattle will sell with proper health papers for interstate shipment.

### VOLUME DISCOUNT

If you purchase 3 or more bulls, you will receive a 3% discount.

### TERMS AND CONDITIONS

All cattle sell fully guaranteed and under the terms and conditions of the American Angus Association.

### GUARANTEE

All bulls selling for \$4500 or higher will be guaranteed against breeding injury for the first breeding season. Breeding season is defined as the 60 day period following the first turn out of bulls. If a replacement is available, one will be provided. Otherwise, you will be given credit to use in the following year's sale, less the salvage value of the injured bull. The bull must be inspected by a vet or Top Gun Cattle in order for credit to be given or a bull to be replaced.

### DELIVERY

If you need assistance delivering your bull, we are glad to help out. Please visit with Top Gun Cattle and we can make arrangements. Bulls over \$5,000 will receive free delivery and bulls below \$5,000 will be delivered for free up to 250 miles. Beyond that, delivery is at cost.

### PURCHASERS RIGHTS & DISCOUNTS

If bulls are picked up by Sunday March 30th, you will receive a \$100 discount.

### **CALVING EASE**

Calving ease is a primary focus of our breeding program. With nearly 1/2 of our bulls in the sale qualifying as heifer bulls according to the AAA, we wanted to provide our rating system, based on actual data, pedigree, EPDs, and experience.

★★★★

A no miss, sleep through the night and tag calves in the morning kind of bull.

★★★

Superior calving ease, should be an excellent choice for heifers.

★★

A bull that qualifies as a heifer bull by industry standards.

★

We recommend these bulls for use on cows.

# YEARLING BULLS

Functional traits are important and that is exactly what we strive for at Top Gun Cattle. You know many of the sires of these bulls, but the maternal side is a major contributor to what you are looking for. The longer the animals remain productive in a herd, the fewer replacements are needed.

The efficiency of the entire cow-calf system is highly dependent on the efficiency of the cow herd. We raise cows that work for us, we don't work for them.

# HEIFERS

We know that good heifers make good cows, the kind that stay in the herd for their entire production lives. You'll find these heifers have maternal calving ease, weaning weight, strong heifer pregnancy and maternal weight. Those factors reduce overall cost, so buying good heifers only makes sense. EPD's having strong milk production, good structure, phenotype, and disposition that take a lot of the mystery out of what makes a good replacement heifer.

We like the offering we have put together for you and are confident they will make long lasting cows.

## Strong Maternal Genetics.... building functional, profitable cows.
